

NATIONAL ELECTRONIC ALLOYS INC.

Specialty Metal Service Center
Dedicated to Customer Service & Quality

ISO 9001 Certified

Certificate of RoHS and WEEE Compliance

Re: Products supplied by National Electronic Alloys, Inc.

Referenced Documents:

- 1) EU Directive 2002/96/EC on waste electrical and electronic equipment (WEEE)
- 2) EU Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS)

Confirmation:

We herewith confirm, that the here mentioned products under end-of-life conditions do not contain any of the reportable substances (substances being banned or to be declared) as listed in the above referenced documents in concentrations above the limits as specified therein, respectively – if there are no concentration limits specified – in concentrations being intentionally introduced.

Results Summary:

The products fully comply with RoHS and WEEE requirements. There is no substance to be declared.

Disclaimer:

The information in this declaration is given to the best of our present knowledge and belief. The information supplied doesn't imply giving a warranty.
