Jeffrey has outstanding communicative abilities that give NEA an experienced, top-notch metallurgist in your area. Thirty years of experience show when you talk to this gentleman. He dedicates his time to giving his customers the advice and service a quality product like ours needs. Jeffrey's honest approach is exactly what NEA requires to give you the best possible service.

I commend Jeffrey D. Moe for doing a fine job. Just give him a call and you'll know what I mean.
